Judith- I saw that portion of Defendants' notice. As I noted previously, our withdrawal of allegations relates only to AIR's sharing of its own information. Our allegations that AIR contracted with RealPage to receive confidential pricing information from its competitors remains in effect. Based on that, I'm not sure of the basis for your motion, given that receiving confidential pricing information from horizontal competitors still constitutes an antitrust violation under our theory of the case, but we will see it when it is filed and respond accordingly. Happy to chat if helpful.

Swathi,

AIR will be filing a motion to dismiss the Second Amended Complaint based on the absence of allegations against AIR that would support plaintiffs' conspiracy claims. We assume plaintiffs oppose dismissal based on our prior discussion. But if you believe an additional conferral would be worthwhile, we would be happy to arrange it.

Have a good evening.

Best, Judith
